

# Flam Taps '09

M. Lemieux

This flam-taps builder was incorporated into a larger ensemble warm-up performed by the NC State Drumline ("Flams '09," available for free on [fatmattdrums.com](http://fatmattdrums.com)), but it is a neat little exercise in its own right. It systematically builds the flam tap rudiment, starting with the *nonlead* hand, creating a driving upbeat feel that is ultimately filled in with the complete rudiment.
